**EXCEL General Education Clusters**

Those students who come to Trinity with general education deficiencies are encouraged to take one or several of the General Clusters in order to meet their requirements. These clusters are designed to provide a solid liberal arts foundation in a convenient package. Cohort groups will be formed by students who intend to go through the entire course sequence. Once a cohort group is formed, however, other students may drop into individual courses to fulfill elective requirements. Below is a possible sequence of course offerings:
