## WEATHER RELATED CLOSINGS

If a class session (a night in which the course meets) is cancelled due to a weather-related or other event, the session will be made-up on the Wednesday following the last date the particular course meets. For classes that meet on Monday or Tuesday nights, the Wednesday make-up session would be in the same week the class ends. For cancellation of two class sessions back-to-back, students will be contacted by the course instructor for more specific information.
