### **Advanced Seminar in Education**

ED 422 (3 credits)

Schedule: This seminar will meet on Monday nights throughout the semester; Details to follow.

### **Classroom Management**

ED 421 (2 credits)

### **Student Teaching in the Elementary School**

ED 401 (10 credits)

Because of the intense nature of the professional semester, students should not plan to take any additional courses or hold an outside job during the semester they are student teaching.

### **\*Mathematical Concepts**

MA200R (4 credits) This is a **required** course for your program. Various options for taking this course will be available.
