Advanced Seminar in Education

ED 422 (4 credits)

Schedule: This seminar will meet on Monday nights throughout the semester; Details to follow.

Classroom Management

ED 421 (1 credit)

Clinical Practice in the Elementary School

ED 401 (10 credits)

Because of the intense nature of the professional semester, students should not plan to take any additional courses or hold an outside job during the semester they are student teaching.

***Mathematical Concepts**

MA200R (4 credits) This is a **required** course for your program. Various options for taking this course will be available.
