

SNOW REMOVAL PARKING REGULATIONS

To: All TIU Students, Faculty and Staff

From: Tom Lenz, Grounds Supervisor

Date: November 12, 2007

The following regulations are in effect December 1, 2007 through April 1, 2008. All student, faculty, and staff drivers should follow these regulations to insure that all roads, lots and parking spaces are cleared.

1. Park in assigned lots for which you have a sticker. Whenever possible, park where the plows have already been and where you will not be in the way of further plowing.
2. There is **NO overnight parking (2 am to 6 am)** on the main road, in the commuter lot, gravel lot, faculty/staff lots or sports complex lot Section A.
3. If your vehicle is not registered with Security Services by December 1st, your vehicle may be removed from the campus at the owner's expense. If it is determined that your vehicle is not in operating condition, it may also be removed at your own expense.
4. If you use your vehicle infrequently, or if you need to park it for an extended period of time, contact Security Services at x-6400 for directions as to where to park it.
5. Lakeside Drive (West of Madsen, Lew and McLennan) is not TIU property and Institutional & Auxiliary Services is not responsible for plowing it.
