**THE CROSSWAY PASTORAL TRAINING  
COURSE AND SCHOLARSHIP  
2020-2021**

# WELCOME

[CrossWay Community Church](#) is committed to training future pastors and church planters to carry out faithful gospel ministry. In keeping with that commitment, we have established the *CrossWay Pastoral Training Course* (CPTC) and the associated *CrossWay Scholarship*.

The course and scholarship are for men who believe God is calling them into pastoral ministry. In this packet you will find an overview of the course, along with an application. Please read through the packet carefully before applying. Completed applications can be emailed to the Course Director, [Brett Wendle](#). Application interviews are held in both the fall and the spring, with participants entering the course (generally) in the fall. We will normally accept no more than 15 participants in the course each year.

We are so eager to see how God might use this course in your life and are grateful for your interest.

Warmly,

Mike Bullmore  
Pastor  
CrossWay Community Church

# The CrossWay Pastoral Training Course

2 Timothy 2:1–2: *“You then, my child, be strengthened by the grace that is in Christ Jesus, and what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others also.”*

**MISSION** | The CrossWay Pastoral Training Course (CPTC) is a three-year program providing church-based training, ministry experience, mentoring, and fellowship intended to equip faithful men and their families for pastoral ministry. The associated CrossWay Scholarship of up to \$5000/yr. is awarded to select participants in the course.

**STRUCTURE** | As participants progress through the three-year program, ministry responsibilities and one-on-one mentoring increase. Participants requiring an internship for the completion of a degree (i.e. MDiv) will typically do so during their third year. A fourth year of “residency” will also take place on occasion, with a view to a specific deployment in ministry. Residency will typically involve some remuneration.

The CPTC year comprises four primary components, in addition to the regular rhythms of our local church.

**Training.** Bi-monthly meetings held on Sunday afternoons, 12:30–3:00 PM. These meetings will focus on pastoral life & character, biblical and theological competency, preaching, and church life.

**Ministry Experience.** A meaningful place of regular service at CrossWay, in which gifts, calling, and character can be observed, tested, and developed.

**Mentoring.** Each participant in the CPTC will be mentored. For first-year participants, mentoring will take place mainly through group activities, ministry participation and observation, and tri-annual evaluations. Participants in later years will also have at least two one-on-one mentoring meetings per semester with a pastoral mentor.

**Fellowship.** One of the goals of the CPTC is to facilitate and encourage the building of relationships between participants, both for present encouragement and growth and for future ministry endeavors and support. This fellowship will develop through monthly meetings, participant-led cohorts, regular social gatherings including families, wives’ meetings, and annual attendance at a conference (e.g., The Gospel Coalition).

**APPLICATION** | Those wishing to participate in the CPTC must apply. And all applicants will meet with Brett Wendle prior to acceptance into the course. The course is intended for those who sense God’s leading toward pastoral ministry. The pastors overseeing the course will seek to serve participants by observing and testing their gifts, calling, and character. At the end of each year, all participants must re-apply, and each will be re-evaluated to determine if he should continue. The CPTC normally will not exceed 15 participants.

While some scholarship assistance is available to all participants (in the form of a TEDS Church Match Grant), the full CrossWay Scholarship is awarded only to select participants in the course. Preference is given, in most cases, to full-time students living on-campus who are able and willing to winsomely represent the course at select on- and off-campus events (e.g., TGC Chicago Regional Conference). Scholarships will typically be awarded mid-fall.

**EXPECTATIONS** | All participants are expected to whole-heartedly pursue growth in their understanding of and fitness for pastoral ministry. To this end, participants commit to prepare for and attend all regularly scheduled CPTC meetings, participate in the annual review process (application review, mid-year evaluation review and end-of-year review), and engage in the life of CrossWay Community Church.

**PARTNERSHIP WITH TRINITY** | We have developed a mutual agreement with Trinity Evangelical Divinity School that may serve participants who are students at TEDS and require an internship to complete their degree. For more information about this partnership, contact Brett Wendle at [brett.wendle@cwchurch.org](mailto:brett.wendle@cwchurch.org).
